I disagree with your concept of “intellectual content” – and it is not just this version, but previous versions as well. Further, this was not just my opinion, but those of others more senior to me.

Hi Ron,

I have addressed the majority of the most recent round of comments. Please see the attached file for an updated version. I have copied Drew on this email so he can re-upload into STICS.

Ex. 5 Deliberative Process (DP)

Thanks,

Johnsie

I have already previewed the above revisions with the IOAA and OPPT, so please strongly consider using the above suggestions verbatim. I am going to return the STICS record. When the revision is ready, please upload the document into the STICS record and route to me.

Please let me know if you have any concerns or questions.
